INSTRUCTIONS: Create a google docs document and put this activity in the document, only PASS as a PDF.

1.
```
BEGIN
    READ a, b, c
    SET largest TO a
    IF b > largest THEN
        SET largest TO b
    ENDIF
    IF c > largest THEN
        SET largest TO c
    ENDIF
    PRINT largest
END
```

Based on this Pseudocode, create a corresponding flowchart.

Start
READ a, b, c
SET largest TO a
b > largest ?
YES
NO
SET largest TO b
c > largest ?
YES
NO
SET largest TO c
PRINT largest
End
